

Instructions for downloading pre-paid photos from <http://DanRobichaud.Zenfolio.com>.

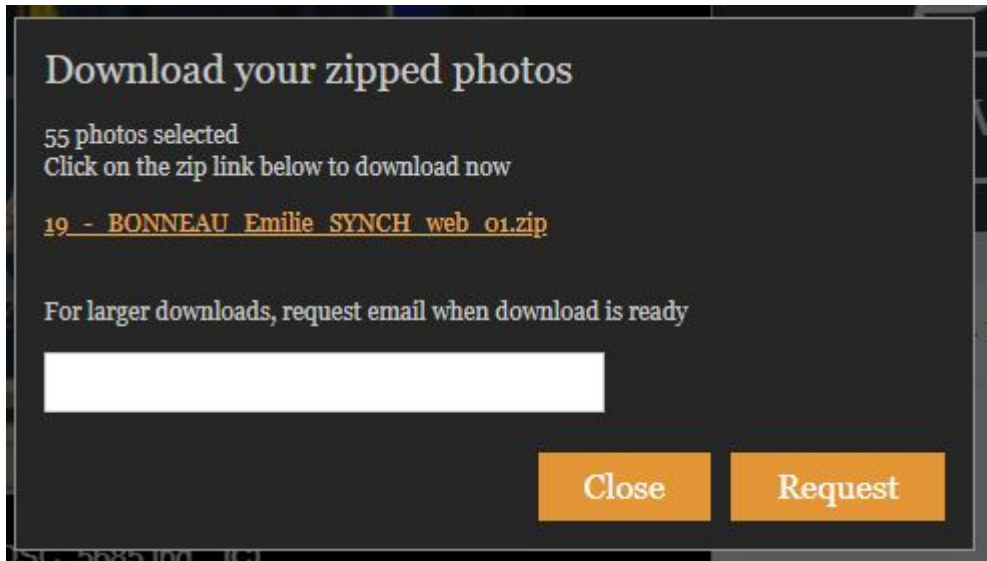

1. Using a computer/laptop (phones and tablets typically don't recognize zip files), navigate to the routine in question and select any of the photos to bring up a preview as shown below. If a Download password has been set for this routine, you will now see a Download icon above the photo:

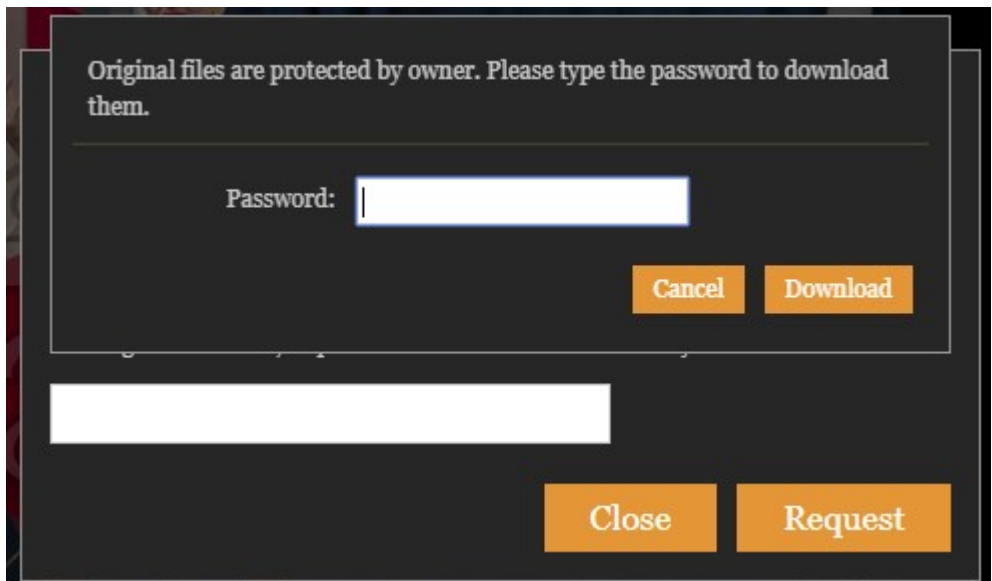

2. Click on the Download icon and select "All available originals" (You can optionally chose to download photos individually if you prefer)

- When the following window comes up, click on the link to download the zip file containing all the photos from this routine (e.g. 19_-_BONNEAU_Emilie_SYNCH_web-01.zip):

- When prompted, type in the provided password to begin the download:

- Enjoy the beautiful memories that will now last a lifetime (or longer!!)
Thank you for your support!
